August! Where is the summer going?

August wraps up the summer activities in the community of Dungannon! We have the Dungannon AG Fair on the weekend of the 8th & 9th. The last Friday for the chip wagon in the park is August 28th. Be sure to check out the second children's market of the year on Friday August 14th.

Our Tuesday art classes continue to be open for all ages throughout the summer. Please share this with anyone who may be interested.

Thursday August 13 we have a special presentation "lunch and learn" that I am very excited about. I hope that you will join is for lunch and to learn tips and tricks on how to strengthen your pelvic floor. I have asked the embarrassing question & yes this is something that effects both men and women

Just a heads up in the September calendar, things are going to look a little different. I am very excited about these changes that will come in due time.

Thank you to everyone who came out and participated in the wellness fair. I would also like to give a special shoutout to all of the volunteers who helped to make the day happen.

Are you a care giver? Many people do not recognize that they are a caregiver as it often looks like a family obligation. The Goderich location is hosting a Caring for the Caregiver Day on Tuesday August 4th. I will be helping with this event in the afternoon so the Dungannon site will be closing for the day after art wraps up in the morning.
